Voltar The Omniscient - Awesomenauts Character Download] [Keygen]

Download ->>>>>> <http://bit.ly/2NGF8Qv>

## About This Content

Purchasing Voltar the Omniscient will permanently unlock this character in Awesomenauts. The character can also be purchased with Awesomepoints in-game.

Voltar the Omniscient is a complex supportive character that launches orbs which heal allied Awesomenauts and damage enemies. He is also able to summon a healbot and flying suicide drones that shoot at nearby enemies. He comes equipped with the following abilities:

- Construct highly advanced robodrones to fight for you.
- Summon a nanotech robo doctor that will heal you and your allies.
- Shoot healing blasts at allies. The longer the distance, the more the blast heals. Additionally, these blasts deal damage to enemies.

*Voltar's past is shrouded in mystery. Rumor has it he once was a researcher at a star-encapsulating power station. The station made intergalactic headlines when it exploded around 500 years ago, sending off all kinds of strange, unseen radiation into space. In this explosion, the AI core of the Zero's was destroyed, bringing an abrupt end to the First AI War. Although peace was maintained for some centuries, the war eventually returned. Some think that war was just too profitable, and suspect that weapon manufacturers had a hand in the construction of a new AI core for the Zeros.*

---

*The explosion at the power station destroyed almost every part of Voltar's body, leaving only his brilliant brain intact. This brain was carefully placed inside a Braintank by salvagers. Through the years, and with help of his loyal robot drones, he made some nifty modifications to his braintank that enabled him to participate in the newly erupted Robot Wars.*

*No-one knows Voltar's true motives for participating in the war as a mercenary, but what can be assured is that he's a mastermind with unmatched psychotechnic powers and an arsenal of armed robots that do his every bidding.*

---

Title: Voltar the Omniscient - Awesomenauts Character  
Genre: Action, Indie, Strategy  
Developer:  
Ronimo Games  
Release Date: 26 Apr, 2017

b4d347fde0
